Procedure

Changes to bookings are made through the Centre's webserver using individual log in information. Last minute changes for transfers, casual bookings and absences that are made after the cut off time can be made by contacting the Centre. There are three types of bookings: Permanent, Casual and Alternate bookings.

Permanent Bookings

Bookings are considered permanent if they are made for the same session for a minimum of two consecutive weeks. These are chargeable despite attendance.

Changes to permanent bookings, either cancellations or session additions, must be made through the Centre's webserver by 9am of the Friday prior to the week that the changes are to take place.

Additions not put through by this time can be added at the discretion of the Centre Director. Cancellations not put through by this time will be charged.

An "Away" booking change must be entered through the Centre's webserver by 12pm (midday) the day prior to the session the change is to take place. "Away" notifications after this time must be made to the Centre. "Away" Permanent sessions are chargeable. Non-notification of a child's absence from a session may incur additional fees (See Policy A-6: Fees).

Permanent bookings may be transferred from one day to another in the same week (Monday to Friday) providing the change is logged online by 12pm (midday) the day prior to the session

being transferred from or to and they are for the same session type (i.e. Morning for Morning, Afternoon for Afternoon).

Permanent bookings falling on a public holiday or day of closure are non-chargeable.

Casual Bookings

Bookings are considered casual if they are made irregularly or occasionally.

Casual bookings must be made online by 12pm (midday) the day prior to the required booking. After this time, bookings must be confirmed directly with the Centre, and must be made prior to the commencement of the session required.

Casual bookings may be cancelled without charge provided the centre is advised prior to the end of the morning session or the commencement of the afternoon session. If the centre is not informed by this time the casual session will be charged.

Alternate Bookings

Where a parent is involved with shift or rostered work, or have a split family arrangement, the Centre will endeavour to arrange to activate permanent bookings for their children on the webserver dependant on the family's circumstances and availability of places.

Alternate bookings should be logged online via the webserver by Friday 9am prior to the week that the bookings are to take place. Alternate bookings do not carry over at the end of each school term and must be re-submitted for bookings to occur.

Vacation Care Bookings

The service's Vacation Care program is generally open for bookings between week 5 & week 7 of the school term. The open date is usually advertised for families in Centre correspondence prior at the discretion of the Centre Director/Educational Leader.

Vacation care bookings are able to be made via the Centre Webserver until such a time as the day is fully booked, or the cut off date for changes to bookings is reached. The cut off date for changes to bookings is generally between 1-2 weeks before the commencement of the holiday period dependant on extraneous factors which may impact this (e.g.: lack of booking numbers, centre closures, infectious diseases etc). The cut-off date is ascertained at the discretion of the Centre Director/Educational leader. Bookings may not be possible after the cut off date, and parents are encouraged to contact the centre via email to check availability. Bookings made after the cut-off date are charged at a casual rate (usually + \$5) as specified in the annual fee schedule.

After the cut-off period, families are charged for all bookings that have been made regardless of attendance. If prior notice is given, swapping days throughout the Vacation Care period can occur. The cost of the more expensive day is what should be charged in the event of a swap.

All booking changes that are made by the Centre staff should be specified in writing from the parent.

In the event of unforeseen circumstances (e.g. lockdown situations, inclement weather), the Centre reserves the right to change the activity for the day to another event of similar cost without notice to ensure the safety and wellbeing of the children and educators involved. These days are still chargeable, and no cancellations are permitted.

Vacation Care is invoiced to families at the conclusion of the Vacation Care period.

Centre Closure Response Plan

Due to any serious circumstances that render the service unable to operate (serious disease outbreak, natural disaster, or damage), the service has in place a Centre closure response plan (created March 2020). Referral to these plans is recommended in such events.

Any decision for the service to close and to initiate the Centre Closure Response Plan will be made in alignment with current service policies and official recommendations through Management Committee/Director consultation. The Centre Closure Response Plan is not absolute and may be altered to suit and accommodate specific circumstances in relation to the closure and should be adjusted accordingly.
