SAFETY ASSESSMENT

Any activity has risk. The purpose of this Safety Assessment is to be aware of dangers and have processes in place to prevent harm and injury from occurring.

Safety is everyone's responsibility. If we deem an event or situation unsafe we will not continue or adjust the activity accordingly.

A safety assessment will be conducted before each event with relevant parties involved.

We are a professional team, have love and passion for our business and the enjoyment and safety of our guests and staff our priority.

Unicorn (Pony)

RISK	Management
Injury from kick	Restrict people from being behind his rear.
Injury from bite	If fed it is to be done under direct instruction from a trainer
Risk of horse escape or being startled	Under constant control of a trainer during the event. When the trick show or jumps are being run guests will be behind a designated area that is clearly marked. Remove soccer balls etc.
Risk of child poking or touching crowding the horse eg. around eyes, ears or around mouth	Guests to be under constant supervision by a trainer whilst engaging with activities Safety brief and instruction before interaction advising not to touch around eyes ears and mouth. Management of guests with an ordered line to prevent overcrowding.
Risk of fall when riding	Saddle properly attached. All riders to wear helmet with hard surfaces. Each rider to be physically held on by trainer.

	Use of stool to enable rider to mount horse without need to physically lift on. Selection of riding area designated and marked out No pets eg dogs in the area
Contamination/Covid Safety	Clean up equipment available in case of mishap. Hand wash available. Social distance and personal hygiene reminders
Risk of being trodden on	Guests should wear enclosed shoes.
In the event of injury	First Ait kit on Location and first aid training For trainers. Record Detail of event. Current Insurance Policy in place.
Equipment	Checked before each event with checklist

Dinosaur

RISK	Management
Fall/Trip	We will inspect the area prior to use. Flat surfaces are preferred. We will set up barriers and have allocated viewing and activity areas. The majority of the event will be participants watching.
Contamination/Covid Safety	Clean up equipment available in case of mishap. Hand wash available. Social distance and personal hygiene reminders
In the event of injury	First Ait kit on Location and first aid training For trainers. Record Detail of event. Current Insurance Policy in place
Equipment	Checked before each event with checklist
Sand in eye	A number of activities involve digging for fossils. Sand used is child friendly playground sand. To reduce chance of sand in eye, constant reminder not to throw or flick sand. Constant supervision. Wash hands after event.
