POLICY STATEMENT

We believe that participation by parents/guardians/approved persons in issues relating to their children is important. The Centre actively encourages open communication with parents and welcomes any input or discussions relevant to the operation of the Centre. Participation and involvement of parents in activities run by the Centre is also encouraged.

PROCEDURE

Educators will greet and farewell parents on arrival and departure and communicate with parents in a positive and supportive manner, making the parents feel welcome and valued. (See Policy A-8: Dropping off and Picking up).

Educators will establish a pattern of exchange of information, communicating to parents about their child or what they did on that day that may be of interest to them (See Policy C-12: Communication)

Educators will accept individual differences in the way parents bring up their children (see Policy E-4: Cultural Relevance and Anti-Bias)

Parents will be informed of all relevant issues in the Centre through direct contact, notice boards, newsletters, email, or individual letters home or through the Centre website.

Parents are welcome in the Centre at any time that their child is attending the service unless they pose a risk or threat (physical or verbal) to Educators and/or children or have a court order preventing their contact with a child at the Centre. Educators will happily explain activities or answer any questions about the Centre to them.

Parents are requested to communicate politely with the Centre's Educators and the Centre's Management Committee. On-going instances of inappropriate behaviour on the part of a parent may result in the child's place at the Centre being terminated.

Parents need to be aware of the Educator's requirement to supervise the children during the activity sessions. This is particularly the case during roll call when Educators may not be available for extensive discussions. If parents wish to discuss or exchange detailed information about their child or the Centre with the Coordinator or another Educator, an appointed time suitable to both will be organised.

Parents are encouraged to become involved in the Centre's activities (See Policy E-10: Community Involvement and policy E-2: Written Programs)

We will actively seek this involvement by:

- Keeping them informed and updated on current issues in the Centre

- Asking for their assistance and participation in particular events such as assisting in the program or other special events or relevant areas.
- Informing them of our participation and access policy through the parent information booklet.
- Informing them of the Management Committee structure and how they can be involved.
- Inviting them to attend or to read a report of the AGM displayed on the Centre Website.
- Informing them of relevant Management decisions.
- Encouraging feedback and input from parents in relation to the program, policies or other issues relating to the Centre.
- Encouraging parents to offer skills and knowledge in a variety of ways and to contribute to the diversity of experiences for the children attending the Centre.

ACCESS BY NON-CUSTODIAL PARENT (see Policy D-27: Custody Arrangements / Court Orders)

If a child is subject to an access order or agreement, the service must have a copy on record plus any subsequent alteration registered by the court. Evidence of court orders or agreements will be considered part of the enrolment, in order to minimise the likelihood of distressing situations occurring in the future (see Policy A-4: Enrolment).

If a non-custodial parent attempts to collect a child from the Centre the Educators will:

Be polite, firm, and clear, and remember their primary duty is to the children in their care.

Clarify the legal position with the non-custodial parent. For example, Staff may say: "I'm sorry but I'm not legally able to allow the child to leave with you without the permission of the custodial parent."

Ask the person politely to leave.

If they refuse to leave, the staff will initiate Lockdown procedures and call the police. (see Policy D-9: Emergency Procedures).

In all cases Educators should be immediately aware of any unfamiliar person on the premises and find out what their intentions are, as quickly as possible.

Educators will be made aware of any custodial agreements which restrict certain persons from being permitted to collect children from the Centre.
