OSHC TERM 2

Term 2 flew by at a rapid pace, and after a whirlwind vacation care, we are now at the start of Term 3! Term 2 was extremely busy, especially behind the scenes, as we undertook a significant transition of educators. We have welcomed four new educators to our team, whom we will introduce a little later. Our program was packed with fantastic activities, and once again, we collaborated seamlessly with our wonderful school and P&C to provide our community with another successful Mother’s Day breakfast. The team is looking forward to another wonderful school term and is eager to continue our close relationship with our families and the school.

STAFF

As mentioned earlier, we have employed four new educators. This is a significant change for our service, but a necessary step to accommodate our growing vacation care numbers and to future-proof our service. We are thrilled to welcome Kiara, Zara, Katerina, and Matthew to our team. Each of our new team members brings unique skills and perspectives, enriching our diverse team. We are excited to work with them and look forward to the positive impact they will make. Welcome aboard!

ADMINISTRATION

As we enter Term 3, we would like to remind you that only individuals registered via our web server as authorised to collect and drop off children are permitted to do so. Each person, including each parent, has a personalized login that should not be shared. Adhering to these guidelines is crucial to ensure the safety of children in our care and to avoid incurring additional fees. Unfortunately, this has been a persistent issue, and we need your cooperation to address it effectively.

VACATION CARE

Winter Vacation Care was a huge hit, with many days quickly reaching full capacity. Our program, open to all families, draws not only from the Epping Heights community but also from nearby schools. It's wonderful to see children from different schools bonding and getting along so well.

Our Vacation Care Coordinator, Zoe Hanna, excelled in organizing this season's activities. The children enjoyed learning about horse care, exploring the reptile park, and watching James & the Giant Peach at the Opera House, plus many more exciting events. We deeply appreciate Zoe's hard work in planning these experiences, always considering feedback from kids and parents. Annalise will be joining her to create our Spring program, which is already in the works, and we are excited to see what they come up with!

Our aim is to meet our community's needs, support local businesses, and provide fun, educational, and stimulating experiences for the children in our care. Due to the high demand, we strongly recommend booking early for the next Vacation Care session to secure a spot and avoid disappointment.

Committee

Our service is managed by a wonderful group of dedicated parents who form our management committee. Our Centre AGM took place in May and we have welcomed a new committee member, Ram Govindasamy. Thanks Ram, for being a part of our terrific team!
