OSHC TERM 3

Term 3 has flown by, and after a fun-filled vacation care, we're excited to start the final term of the year! This term has been all about growth and positive changes at EHOSHC. We've continued to strengthen our partnership with the school and P&C, and our Father's Day breakfast was a wonderful way to bring families and the community together.

Our team has introduced fresh activities, and we're always looking for ways to improve and provide the best care possible. As we move into the next term, we look forward to continuing to build strong relationships with our families, the school, and the wider community.

STAFF

Our educators at EHOSHC have had an exciting and busy term! Zoe has been off traveling in Europe, and Tamara has been on her teaching placement. Many of our team members are studying to become teachers, and several will be heading off on their own teaching practicums soon, which is something that happens regularly as they work towards their degrees. Along with their studies, our educators are always looking for ways to improve, often doing their own research on education and child development. They share what they learn with the team to keep our programs fresh and engaging. We're really proud of their dedication and the great care they provide for the kids at EHOSHC.

VACATION CARE

Spring Vacation Care brought an exciting mix of adventure and fun for all! This time, children explored new heights at Tree-tops, immersed themselves in the futuristic world of VR Quest, cast their lines for a day of Fishing, enjoyed thrilling rides at Luna Park, and challenged their skills with arcade games. Every day offered something fresh and engaging, keeping the children excited throughout the break.

We're thrilled by the strong participation, with many days filling up fast. It's always great to see children from Epping Heights and neighboring schools come together, forming new friendships along the way. We are even getting families enrolling from a lot further afield!

A big thank you to Zoe and Annalise, who worked hard to curate this season's activities, creating a memorable experience for everyone involved. Their dedication to tailoring the program based on feedback from kids and parents has truly made a difference.

As always, we're focused on offering enriching experiences while supporting our local community. If you're planning to join us for the next Vacation Care, be sure to book early—spots fill up fast! Planning for December's program has already commenced. (Vacation Care in the Summer holidays will be for 2 days at the end of term 4 and then 2 full weeks before school returns in 2025)
