Autumn, 2025

OSHC TERM 1

Term 1 has flown by, and we've had a fantastic start to 2025! This term has been all about welcoming new families, building connections, and setting the tone for a fun and engaging year ahead.

We've launched into the year with an exciting and dynamic program that reflects the children's interests and encourages creativity, independence, and exploration. Our new educators have settled in beautifully and brought fresh ideas and energy to the team.

This term, we've also worked on strengthening our social media presence to better share the wonderful things happening at OSHC each week. We've loved seeing the children so involved and enthusiastic, and it's been great to see so many families engaging with our updates online.

We're incredibly grateful to the school for their ongoing support and collaboration. A huge thank you as always to our dedicated OSHC team, and to our families for your continued support as we begin another exciting year together.

We're looking forward to what the rest of 2025 will bring as we continue to grow and connect.

STAFF

Our educators at EHOSHC have had a strong start to 2025. This term we welcomed Kaitlyn, Pat, and Beth to the team, and they've quickly settled in and brought great energy to the program.

We've focused on building team cohesiveness and supporting staff through ongoing professional development. Many of our educators are continuing their teaching studies and preparing for upcoming practicums, which contribute to the fresh ideas and engaging activities we see each day.

We're proud of the team's commitment, positive attitude, and the strong start they've made to the year.

ADMINISTRATION

A quick reminder to please check our lost property box regularly—it's filling up with hats, jumpers, and lunch containers! As we spend lots of time outdoors, we also ask that children bring a hat to OSHC each day to support sun safety. Please ensure all items are clearly labelled to help them find their way back home.

PROGRAM

Our OSHC program is ever changing as we identify and respond to the needs and suggestions of our children and community. If you have any suggestions or feedback, please let us know [here](#)

Term 1 has been full of exciting activities that have kept the children engaged and inspired. The Enid Blyton readings have sparked imagination and creativity, while Whacky Science has been a hit with hands-on experiments that really got the kids thinking. Our Outdoor Adventures have provided the perfect opportunity for exploration, and Fancy Dress Fridays have allowed everyone to express themselves through fun and creative costumes.

Another highlight was our Dance teacher this term who got everyone moovin' & groovin'!

Overall, it's been a fantastic start to the year, and we're excited for the continued fun and learning ahead!

VACATION CARE

Autumn Vacation Care is just around the corner, and we've got a fantastic lineup of activities planned! We'll be heading to exciting destinations such as Tree Tops, Sydney Zoo, Peak Pursuits, Dogman the Musical, and The Circus—it's shaping up to be a fun-filled holiday for everyone! As always, safety is our top priority. We complete thorough risk assessments for all activities, which are available for review on our **website**. Please remember that all children need to arrive by 8:30am to ensure a smooth start to the day's adventures.

We also ask families to make sure their children come prepared for the activities—this includes sunscreen, hats, water bottles, and comfortable clothing suitable for the day's plans. A big thank you to our team for their dedication and hard work in making this program exciting and memorable. We look forward to seeing everyone for a wonderful Autumn Vacation Care experience!

Committee

Our service is managed by a wonderful group of dedicated parents who form our management committee. For a full list of our current committee members, please click this link to our website:
