

Epping Heights OSHC - Family Survey - 2025

Thank you for participating in our family survey. We value your feedback!

This short survey is designed to help us understand your experiences and opinions about our OOSH programs, staff and communications.

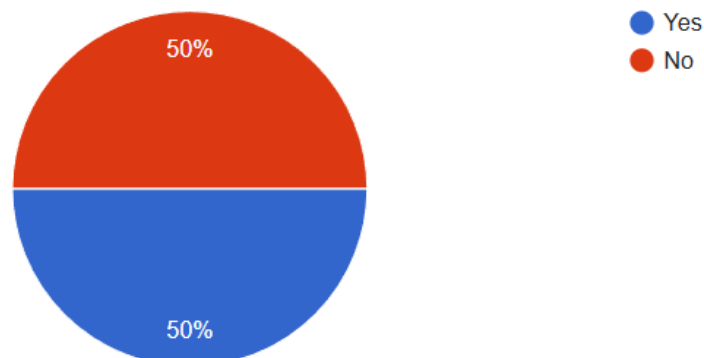

Your responses will help us improve the services and activities we provide for your children.

Please see the summary of results below:

Do you feel that staff build warm and positive relationships with your child?

- Always – my child has a very positive relationship with the staff.
- Sometimes – relationships are okay, but not always consistent.
- Rarely – my child doesn't usually have a positive connection with staff.
- Not sure / I don't know.

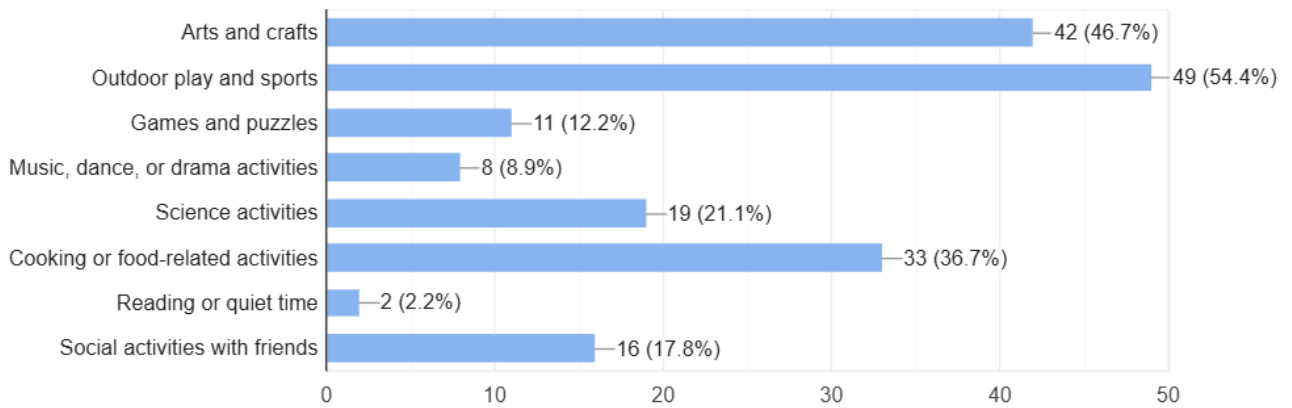

Are there any areas where your child needs additional help or support while at OOSH?

- Social skills / making friends
- Emotional regulation / managing feelings
- Behaviour / following routines and instructions
- Confidence / self-esteem
- Physical activities / motor skills
- Life skills
- None / my child doesn't need additional support
